

## **Adapted Physical Education Specialist Credential Program**

### **Admission to Adapted Physical Education Specialist Credential Program**

Students who wish to pursue an Adapted Physical Education Specialist Credential must meet the following criteria and follow the prescribed procedures for admission to the program. The admission procedures are designed to identify students that are committed to the discipline and profession and to maximize their opportunities to become competent and effective adapted physical education teachers.

#### Option 1

Admission to the CSUSB Teacher Preparation Program in the Department of Kinesiology

#### Option 2

Currently hold a valid Credential for the Single Subject Teaching Credential in Physical Education.

#### Option 3\*\*

Currently hold a valid Multiple Subject, Standard Secondary with a major or minor in PE, Standard Elementary with an academic major or minor in PE, Standard Early Childhood, Special Secondary in PE, General Secondary, General Junior High School, General Elementary, or General Kindergarten-Primary Credential.

#### Option 4 \*\*\*

Currently hold a valid Educational Specialist Instruction, Standard Special Education, Ryan Specialist Instruction, or Special Education Services Credential with a Special Class Authorization

\*\* Individuals holding these prerequisite credentials may need additional Kinesiology course work.

\*\*\* Individuals holding these prerequisite credentials are required to complete physical education subject matter competency classes. See table 1.

Note: Options 3 and 4 Candidates must meet with the APE coordinator discuss about their physical education subject matter competency requirements.

### **Adapted Physical Education Competency Requirements**

*For Multiple Subject Credential and Education Specialist Credential Holders:* Complete 17 units of coursework (see below) or pass California Subject Examinations for Teachers (CSET) in PE (all parts):

CSUSB Kinesiology (KINE) or equivalent courses (subject to transcript and program syllabus verification). Select 17 units from the following courses with nine units from the core and eight units from pedagogy courses:

#### **Core Kinesiology Courses (9 units)**

KINE 479/480 Qualitative Biomechanics (5units)  
KINE 325 Motor Development (4units)

#### **Pedagogy courses (select 8 units)**

KINE 472 Program Design in Physical Education (4 units) or  
KINE 473 Instructional Strategies in Physical Education (4 units)  
KINE 324 Psychology of Physical Activity (4 units)

#### **If you pass the CSET then you complete the Adapted PE sequence. Please refer to the CSUSB Course Bulletin**

KINE 311 Introduction to Adapted Physical Education (4 units)

\* Even though passing of the CSET in Physical Education "waives" these prerequisites, we encourage all candidates to take these pre-requisites to ensure their success in the program as well as being a valuable APE Teacher.
